

THE ALDE & ORE ASSOCIATION

Registered Charity No. 1064789

ALDE AND ORE ESTUARY ASSESSORS REPORT

NAME: Rufus Gilday & Reet Gilday	DATE OF INSPECTION April 25 2013
LOCATION: Flood Cell 9	MARCH Equinox Low tide 1.0 m good visibility of saltings
Area of Assessment Brick Dock to Barbors Point	

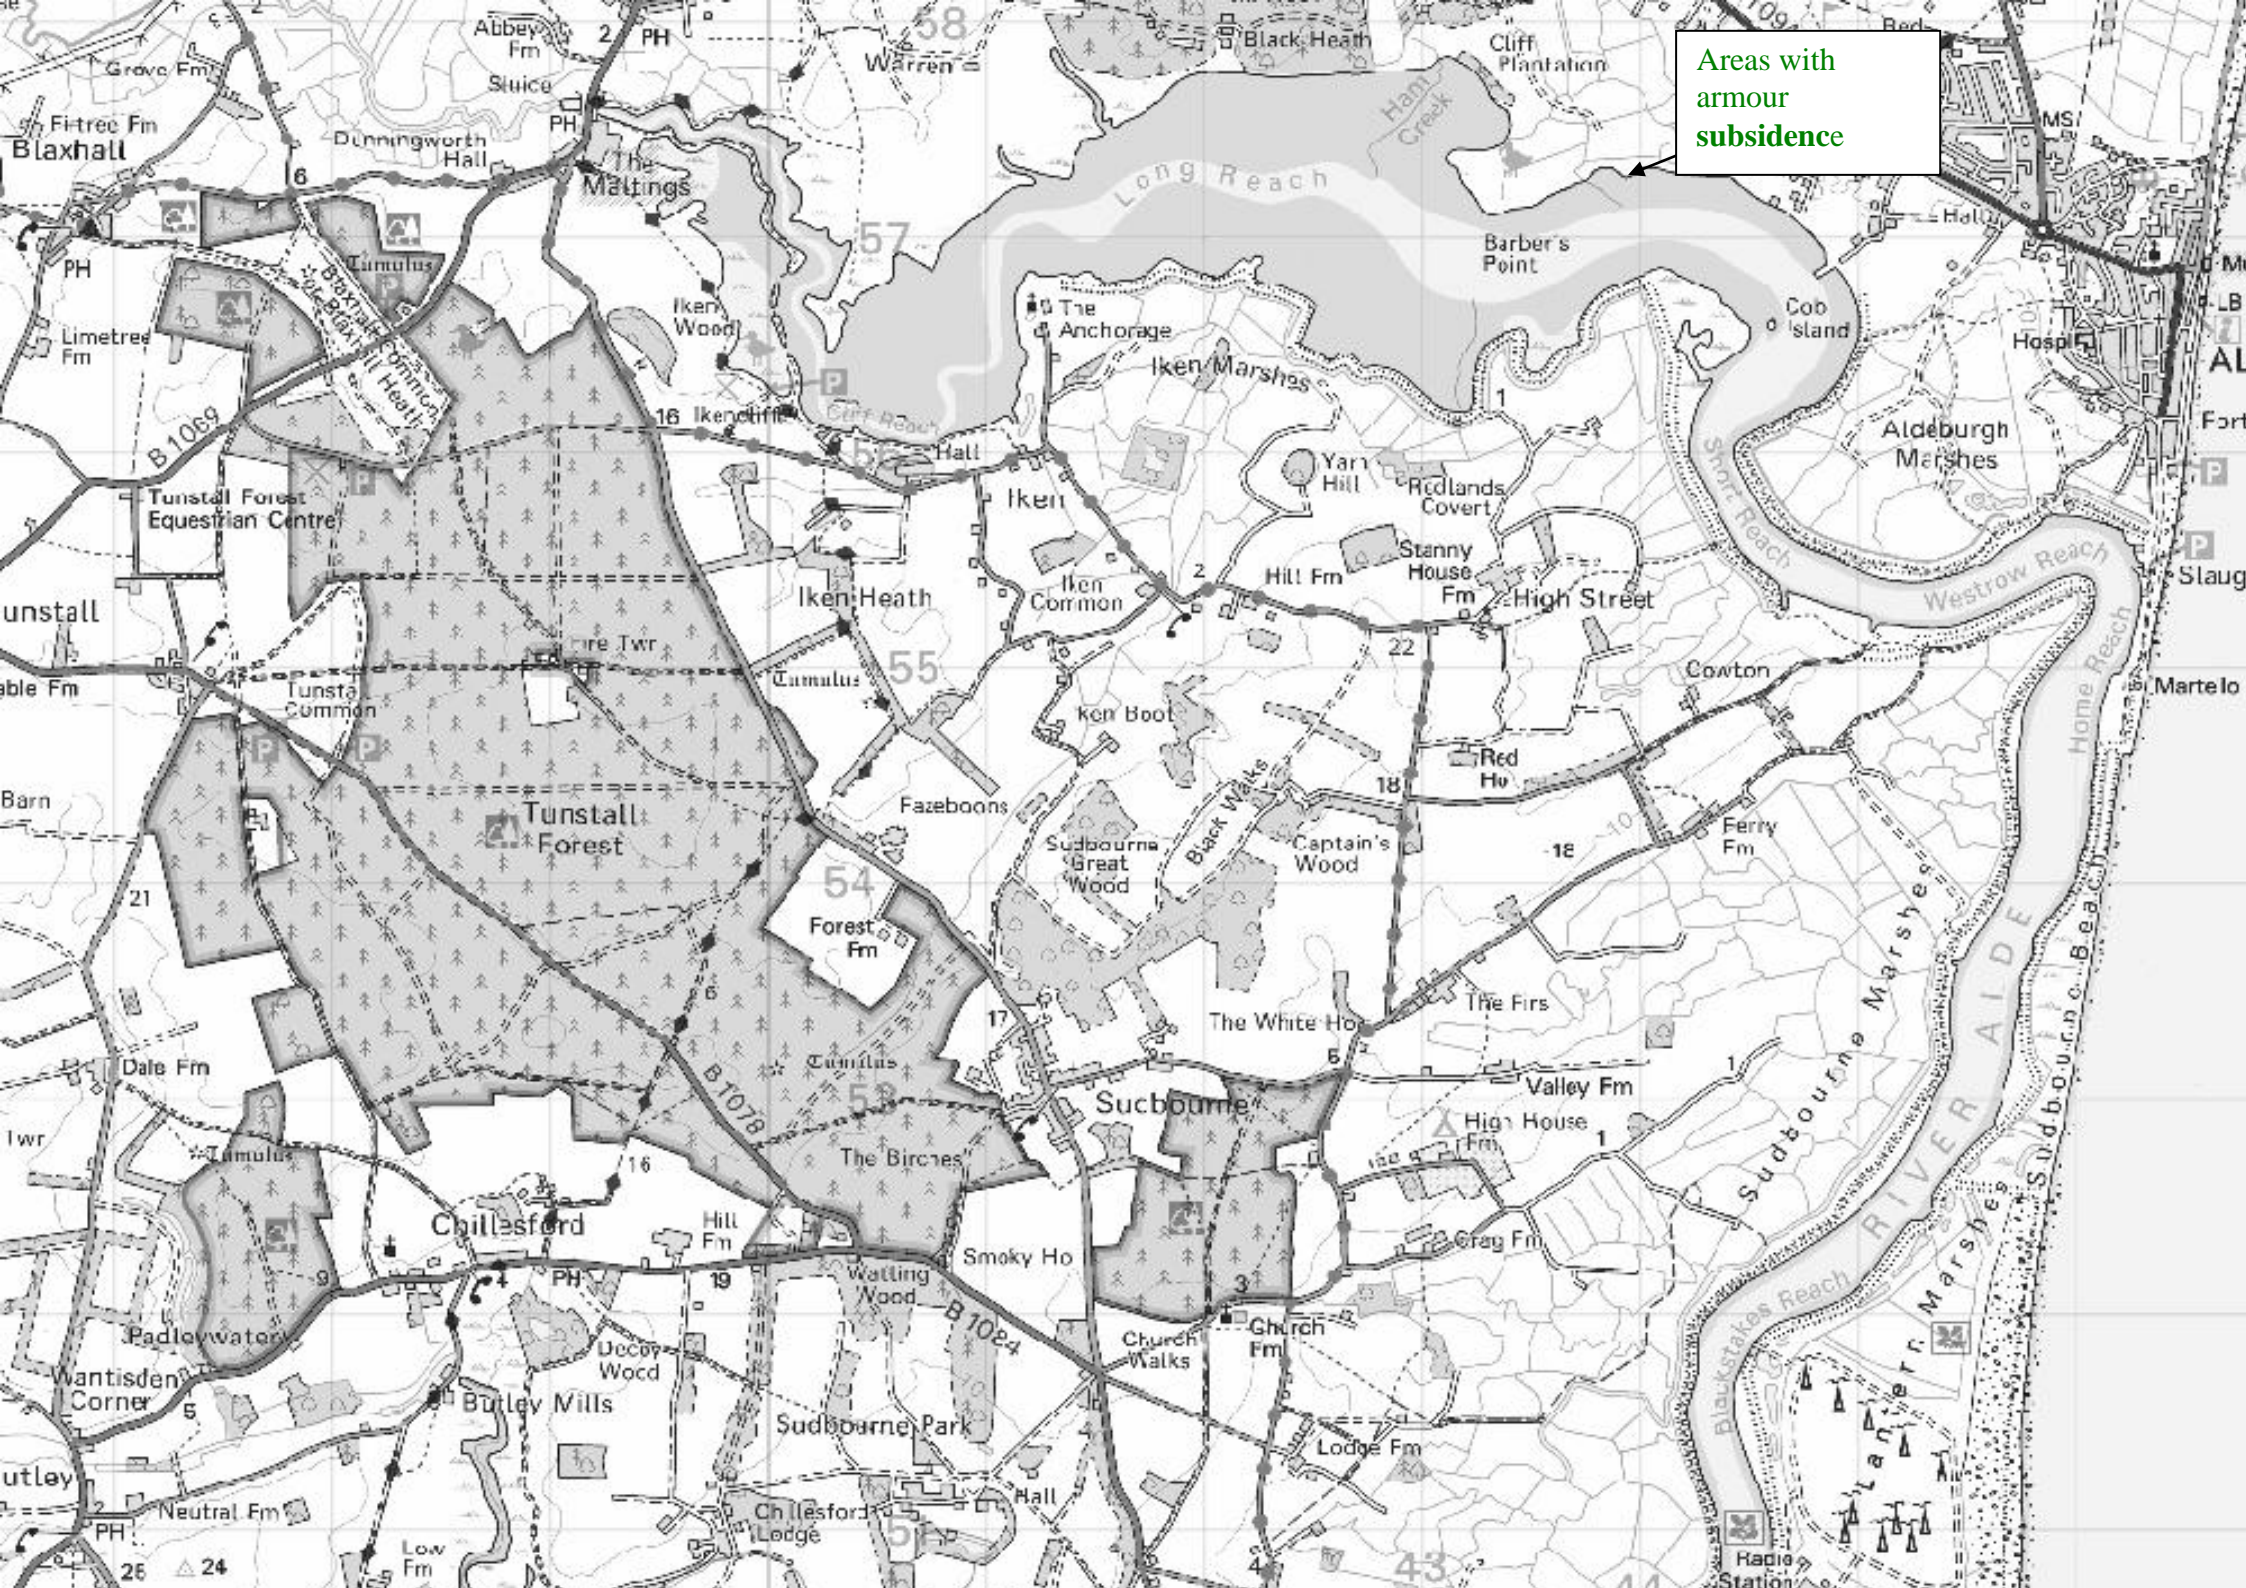

The entire stretch mostly Grade 1 / 2 with few 3s. All defects are found on the concrete defences on the river side and show continued deterioration of hard surface but nothing alarming since the inspection last year. Evidence of mowing last year. The inner walls and path are generally in good condition. 2 photos of areas to monitor with GPS (marine chart) ref for the area most in need of attention.
